ment to be made on account of that and that is why they brought this bill to the Labor Committee to compensate for these losses when a nonprofit organization goes defunct.

SENATOR STONEY: Have nonprofit organizations such as hospitals created great problem in the losses that they have had?

SENATOR MARESH: No, they don't. That is why we were going to amend the bill, and when I gave this to the bill drafter to exempt hospitals and to specify that nonprofit organizations that had been in existence for three years, that was my proposal. He said if you do that the bill will be meaningless. I believe we could probably kill this bill and do this on the Dworak-Mills bill by amending that bill to probably require everybody to make contributions instead of payments.

SENATOR STONEY: Thank you.

PRESIDENT: Senator Savage, will you close debate on this matter with your reply?

SENATOR SAVAGE: The only closing I have is that it will make a burden on the patients who will have to get this charge that they have to pay on this 4.8% deposit or \$60,000 a year bond. That is my closing.

PRESIDENT: The question is, shall this bill be returned to Select File for the specific amendment? Record your vote. Have you voted? Record.

CLERK: 27 ayes, 15 nays on the motion to return, Mr. President.

PRESIDENT: Motion carries. Now read the amendment. Oh, it is a motion to strike the enacting clause. That should be laid over, Senator.
